HEARTSAVER CPR/AED

COURSE COST \$70

The Heartsaver CPR/AED course teaches CPR; relief of choking in adults, children and infants; use of barrier protection devices. It also covers the use of the AED machine (Automated External Defibrillator).

**This course is for non professional providers.

HEARTSAVER FIRST AID & CPR/AED

COURSE COST \$85

Teaches students critical skills needed to manage a first aid, choking or sudden cardiac arrest emergency until emergency medical services (EMS) arrives. Students learn how to treat bleeding, sprains, broken bones, shock and other emergencies. PLUS adult CPR and AED use.

BLS FOR HEALTHCARE PROVIDERS

COURSE COST \$50

The BLS for Healthcare Provider course teaches CPR for victims of all ages. Skills include ventilation with a barrier-device, a bag-mask device, use of an AED on adults and children, and relief of FBAO in responsive and non-responsive victims. Written and skills evaluation are required for course completion.

**Please note this class is designed only for persons studying OR working in the HEALTHCARE industries.

GET THE SKILLS TO SAVE A LIFE
