

EXPLORE

GREEN

RIVER UTAH

THE EXPERIENCE

The calm waters of the Green River meander through the Labyrinth Canyon to the Colorado River, making up some of Utah's most beautiful scenery. Paddle a scenic stretch of flat water that will follow the rolling desert hills of eastern Utah into the majestic depths of Labyrinth. Paddling friendly waterways will promote skill building and teamwork as we learn to paddle through the desert landscape. This journey will allow us to explore over 50 miles of canyon and many side canyons as well. We will view the ruins and rock art sites of the Pueblo Indians. Red cliffs, desert sunsets, and warm days await this memorable experience. Once off the water we will go canyoneering for a day near Moab and view the natural marvels of this landscape.
