

EXPLORE

THE BIG

ISLAND, HAWAII

THE EXPERIENCE

The Big Island has special 'aina ("eye-na", which means "land" in Hawaiian). It is a great teacher. When we explore this full-spectrum terrain, it invites us to explore our inner terrain along the way. This strength-based, fun, dynamic, natural, and soul-nurturing experience will take you into the ocean and through the rainforest; up mountain peaks and into lush valleys. As a rare treat, you will connect with a Hawaiian elder and learn about the spirits and mysteries of this mystical island. A true Hawaiian blessing is coming your way!
