

# THE EXPERIENCE OF A LIFETIME

More than any other maintained trail in Grand Canyon, the South Kaibab brings you endless, incredible panoramic views down to the inner canyon throughout our descent. Be aware, the gorgeous ridgelines we follow down to the river can also give the airy exposure of huge drop-offs around the corner! This stunning hike is perfect for those seeking a bigger challenge and thrill than the Bright Angel Trail. The Bright Angel Campground is our final destination next to Phantom Ranch; this area offers an endless variety of short dayhikes and places to explore!
