Mountain Biking

\$99 per person

Join us on a local biking expedition near Ventura. This trip requires no previous mountain biking experience but we do recommend participants feel confident on a geared bike. We supply everything you need, from high quality mountain bikes and helmets, to daypacks and snacks, plus an experienced local guide. Ride options range from entry level dirt track to challenging uphill track climbs.

Trip Summary

Day 1

What you need to know:

Day 1
